October 25, 2016

The Chester County Historic Preservation Network (CCHPN) invites you to start a new or renew your membership for the upcoming 2017 calendar year. The Network's purpose is to promote historic preservation by bringing together historical commissions and committees, HARBS, organizations, and individuals of Chester County who work to preserve their neighborhoods and communities. Our historic landscapes greatly enhance the quality of life for the residents of Chester County and provide economic enhancement through heritage tourism.

Membership Benefits

- ❖ **CCHPN provides guidance, training, and support through its municipal liaisons** and facilitates connections between municipalities, the Heritage Preservation Coordinator, and other preservation professionals with experience in similar situations.
- ❖ **Discount admission for CCHPN educational programs, including Spring Training.** As a municipal member of CCHPN, all of the members of your historical commission or HARB are considered CCHPN members and are entitled to discounted fees when they register for programs. These sessions qualify for continuing education credits for the Certified Local Government and other preservation programs.
- ❖ **Special invitation to the popular Volunteer Recognition Celebration.** Ours is the only county-wide award program that acknowledges the important work of local individuals, governments and organizations in protecting our heritage. Come celebrate and network with your peers and local, county, and state officials.
- ❖ **Chester County Ledger newsletter**, published since 1998, covers achievements, challenges, and technical preservation information important to our region.

We hope you will join or renew your membership for 2017. As a non-profit organization, we rely primarily on our membership to fund our annual programs, newsletters, and website. Our members create the strength of CCHPN as one voice for historic preservation in Chester County.

Thank you again for your consideration,

John Miller
President
